Notes: The administration costs for producing the temporary restriction will be £260 + the cost of advertising the restriction which can vary between £500 and £1500.

* We require an order number or reference before we can commence processing the closure order.

† If your organisation is proposing a suitable diversion route we would require you to provide us with a plan clearly showing the route along with a schedule detailing any diversion signing. We will require these items before we can commence processing the closure order.
